Centrally Located

This property is located between the major cities of Vancouver B.C. and Seattle, WA. With the proximity to both of these cities, the potential for tourism to come to this location is unmatched.

Vancouver B.C.

With its scenic views, mild climate, and friendly people, Vancouver is known around the world as both a popular tourist attraction and one of the best places to live.

Vancouver is also one of the most ethnically and linguistically diverse cities in Canada with 52 percent of the population speaking a first language other than English.

Seattle

Seattle's laid-back attitude and diverse neighborhoods more than make up for its consistently cloudy weather. Plus, it's home to some of the country's best coffee and a thriving arts scene, plenty of history, culture and – when the weather permits – some exciting outdoor activities.

Surrounded by water (and resting between Puget Sound and Lake Washington), the city's favorite outdoor pursuits include kayaking, hiking, camping and whale watching.
