SUGAR CITY, C4 REGIONAL COMMERCIAL ZONE

Provides for a Regional Commercial Zone that includes a cohesive and complimentary mixture of land uses, including commercial, residential, recreational, and/or business park. A Regional Commercial Zone shall largely include facilities and venues that have a destination orientation and encourage use by tourists and visitors from outside the City. Uses should focus on services for tourists, visitors, and the local community. A unifying design and operating theme should unite the varied and mixed uses. Developments should promote creative property configuration with usable public and private recreation areas, parks, pedestrian areas, and open space. Developments within the Regional Commercial Zones shall comply with the development standards in Section 9-3-8.2
