600 W. Ahtanum Road is a well-maintained 264,269 SF manufacturing facility on 31.25 acres in the business-friendly community of Union Gap, immediately to the south of Yakima, the county seat of Yakima County. Direct access to Interstate 82 is available via two interchanges.

The building, which until very recently was used to manufacture cardboard boxes, has heavy power distributed throughout the facility, dock high and grade-level loading, and BNSF rail service that includes an interior rail loading dock. The office area commands a prominent street presence to Ahtanum Road, one of Union Gap's largest arterials, and is enhanced by well-maintained landscaping.

The property is completely fenced and secure, and the majority of the 31.25 acre site is cleared and level. The property is zoned Wholesale/Warehouse, allowing a multitude of industrial uses.
