# OFFERING

Paragon Real Estate Advisors is pleased to exclusively present this premier multi-family opportunity located in the highly desirable Edmonds Bowl, offered for the first time in over 45 years. Positioned in one of the tightest and most sought-after submarkets in the region, the property benefits from extremely limited inventory and minimal recent comparable sales, creating a rare opportunity to acquire a generational asset. Ideally situated in the heart of Downtown Edmonds, just blocks from Main Street and the waterfront, the property boasts a Walk Score of 89, offering tenants exceptional walkability and access to local amenities. **Sellers are open to Seller Financing terms from qualified buyers. Please reach out for terms.**

The property features a well-balanced unit mix consisting of five units, including three one-bedroom units and two two-bedroom/one-bath units. Upper-level units offer attractive water, mountain, and territorial views, enhancing overall tenant appeal. The building showcases a classic mid-century design centered around a private courtyard, creating a unique and inviting living environment. Residents benefit from a common laundry and storage area, while ample off-street parking is provided via five surface stalls and a spacious two-car garage.

This asset presents a compelling value-add opportunity with clear pathways to increasing rental income through interior upgrades and operational improvements. In addition, the property offers future redevelopment potential supported by its RM 1.5 zoning, providing long-term upside for investors.

With its irreplaceable location, strong in-place fundamentals, and multiple avenues for value creation, this offering is well-suited for investors seeking a stable, well-located asset with significant long-term growth potential.
