OFFERING

Paragon Real Estate Advisors is pleased to present the Golfcrest Apartments, a 31-unit multifamily community situated in Seattle's desirable Interbay/Queen Anne area at 2629–2633 14th Ave W. Originally constructed in 1963 for the World's Fair with a Penthouse building (2629 address) addition in 1971, Golfcrest offers investors meaningful renovation value-add upside, and **seller financing is available for qualified buyers. The proposed seller financing terms are 5% interest-only rate, 25% down payment and a 5-year term.**

The property is comprised of a diversified unit mix that includes studio, one-bedroom, two-bedroom, and a Penthouse unit, making it well positioned to serve a broad tenant base in one of Seattle's most supply constrained submarkets. Roughly 50% of the units have had the flooring replaced with LVP floors. Replacing the remainder of the flooring and improving the kitchens and bathrooms will result in a significant increase in rent.

The property has been owned by the same family for the last 31 years. Ownership has spent over \$225K in capital improvements over the last couple of years. These improvements reduce near-term capital expenditure risk while preserving the opportunity for an incoming investor to execute a targeted unit renovation program and capture meaningful rental upside. The property's scale, location, and operational profile make it well-suited for both experienced multifamily operators and investors seeking an asset with clear upside in a proven Seattle submarket.
