THE HIGHLIGHTS

UNITED STATES GOVERNMENT GUARANTEE

The lease is guaranteed by the United States of America (S&P: AA+, Fitch: AA+, Moody's: Aa1), providing investors with one of the strongest credit-backed income streams available in the market.

STRONG HISTORICAL OCCUPANCY | 18+ YEARS

The SSA has continuously operated from this location since 2008, reflecting approximately 18+ years of uninterrupted tenancy and underscoring both the tenant's operational commitment to the site and a reduced likelihood of relocation at future lease renewal.

MISSION CRITICAL TENANT

The Social Security Administration (SSA) is a mission-critical federal agency responsible for administering Social Security programs and providing essential benefits and services to millions of Americans — supporting a highly resilient occupancy profile through economic cycles and durable, government-backed income.

PAD DEVELOPMENT UPSIDE

The property features an approximately 7,000 SF pad area along Alabama St. that could serve as an ideal spot for a coffee kiosk or other tenant in the future, with an estimated rent of \$2,000-\$3,000/month, providing rental income upside potential for a new owner.

HIGH TRAFFIC, HARD CORNER LOCATION WITH EASY INGRESS/EGRESS

The property is located directly on Alabama St, one block from the busy intersection of Alabama St and James St, featuring in excess of 33,000 VPD. It is accessible from both traffic directions on Alabama St. and includes multiple points of ingress/egress, providing easy access for customers and employees.

STRATEGIC POSITION | SHADOW ANCHORED BY TOP RANKED TRADER JOE'S

The property is strategically located amongst numerous retail tenants, government buildings, offices, and residential neighborhoods, providing consistent customer traffic and strong tenant demand. Additionally, the property is shadow anchored by the #1 ranked Trader Joe's in Bellingham and nationally top 18% ranked grocery store, per Placer.ai, further demonstrating the strength and appeal of the location.

ONLY SSA FIELD OFFICE IN WHATCOM COUNTY | 236,000+ RESIDENTS

The property is the only SSA field office in Whatcom County, serving a regional population of more than 236,000 residents with limited nearby alternatives, reinforcing its strategic importance as a regional access point for this essential federal service.

DENSE, AFFLUENT DEMOGRAPHICS

Within a 10-mile radius, the Property serves a population of over 155,000 residents with average household income exceeding \$102,000.

TENANT OVERVIEW

SOCIAL SECURITY ADMINISTRATION

The Social Security Administration (SSA) is an independent agency of the United States federal government responsible for administering the nation's core social safety net, including retirement, survivors, and disability insurance programs. Operating as one of the most critical and well-funded civilian agencies in the country, the SSA distributed benefits to over 71.6 million recipients in 2023 alone. To execute its massive operational mandate, the agency relies on a nationwide network of strategically situated field offices that deliver essential face-to-face claims processing, public assistance, and administrative services to local populations across every county in the nation.

Within this vital federal infrastructure, the Bellingham field office functions as the primary, dedicated SSA facility serving all of Whatcom County, Washington. The agency has operated continuously from this purpose-built, build-to-suit site since its lease commenced on October 17, 2008, reflecting more than 17 years of uninterrupted tenure. Custom-engineered to meet stringent General Services Administration (GSA) facility specifications, the building incorporates specialized security controls, optimized public circulation, and customized administrative layouts designed specifically to support high-volume agency operations in the region.

Field offices with established catchments, dedicated parking, and accessible locations are rarely relocated once established — this site's continuous tenure since delivery supports renewal conviction ahead of the 10/16/2028 expiration.

Marcus & Millichap makes no guarantee, warranty or representation whatsoever about the accuracy or completeness of any information provided. As the Buyer of a net leased property, it is the Buyer's responsibility to independently confirm the accuracy and completeness of all material information before completing any purchase. This Marketing Brochure is not a substitute for your thorough due diligence investigation of this investment opportunity. Marcus & Millichap expressly denies any obligation to conduct a due diligence examination of this Property for Buyer. Any projections, opinions, assumptions or estimates used in this Marketing Brochure are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial and legal advisors. Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs. Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal and financial advisors must request and carefully review all legal and financial documents related to the property and tenant. While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for some properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property. By accepting this Marketing Brochure you agree to release Marcus & Millichap Real Estate Investment Services and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this net leased property.
